**10 Glorious Years of**  
**WORK FROM GAON TO GLOBAL**

**BIHAR ENTREPRENEURS ASSOCIATION**  
**बिहार उद्यमी संघ**

Bihar Entrepreneurs Association founded in the year 2011 as a not-for-profit is a voluntarily-run organization by youth to work for Bihar with 19 thousand members. In a very challenging environment, BEA is working for an efficient ecosystem for entrepreneurs. In the past ten years, it has conducted over 1.2 lac direct interactions with Youth through 80 StartUpYatras (a chain of workshops at grass root level run like a Campaign since 2013) and then brings the selected one to its Incubation Centre "Enterprising Zone". Enterprising Zone is recognized or funded by Govt of Bihar, NITI Aayog, Startup India, and Foreign Governments and also empanelled with Ministry of Electronics and IT, Govt. of India and Ministry of MSME, Govt of India.

## 1st Bihar Entrepreneurship Summit, March, 2014

First Bihar Entrepreneurship summit organized by Bihar Entrepreneurs Association was a daylong event; the summit discussed about the problems faced by today's startup and gave solution to their problems. Mr. Naveen kumar, Principal Secretary-Industry Department-Bihar addressed the summit in Patna. In 2014, 1st BES was attended by Planning Commissioner, Industry Development Commissioner, Secretaries of several dept., Govt. of Bihar and Govt. of India.

### Summit tips for start-ups

**PATNA:** Bihar Entrepreneur Association (BEA) will launch Big Data Science Institute here in collaboration with Global Big Data Exchange based in Guiyang, the capital city of China's Guizhou province.

The BEA office-bearers have held preliminary talks with the Chinese institute in this regard during their recent visit to Guiyang for a five-day cross-border trade and investment summit held from November 9 to 13.

The six-member BEA delegation led by its president Kaushalendra said it had fruitful talks with Chinese authorities on several issues relating to development of the state.

"Data exchange has become a soaring business globally and BEA initiative in this regard will be fruitful", Kaushalendra told newsmen here on Wednesday.

He said, multi-national companies from 38 countries took part in the summit and Guizhou province governor Sun Zhigang, expressed his desire to collaborate with Bihar in different fields.

"The governor also extended an invite to chief minister Nitish Kumar for a visit for tie-ups in different sectors," he said.

Zhigang said: "We see execution on major industrial sectors agreements and collaboration, bringing huge investment in the state. It's a win-win situation for both Bihar and Guizhou".

The BEA chief said the Guizhou governor was eager to collaborate with enterprise and state government and have state-to-state tie up in technology transfer and knowledge sharing.

BEA general secretary Abhishek Kumar said Guizhou province was interested in start-up exchange programmes, infrastructure development, tourism,

WE SEE EXECUTION ON MAJOR INDUSTRIAL SECTORS AGREEMENTS AND COLLABORATION, BRINGING HUGE INVESTMENT. IT'S A WIN-WIN SITUATION FOR BIHAR AND GUIZHOU PROVINCE

big data industry, Buddhist circuit and establishment of Chinese study centres in Bihar. "Under the startup exchange programme, 10 to 15 startups will go to Guizhou and nearby other provinces and the same number will come from Guizhou to Bihar", he said.

"There will be tie up between Incubation Centre Development and Incubation Centre in Guizhou and also with Enterprise Zone", he said.

Another delegate Dr KP Ranjan said Bihar might tie up with Chinese companies in infrastructure development.

"Bank of China will take care of the financial aspects of the projects like roads, highways and bridges", he remarked.

Kaushalendra further said that the Guizhou authorities had shown keen interest for the Buddhist circuit development.

"We also gave a presentation to Indian Embassy requesting them to identify opportunities of investment in Buddhist circuit", he said, adding that Guizhou is a state dominated by Buddhists.

Kaushalendra said that BEA members visited the centre for Chinese studies at Guizhou University and Guizhou Normal University to find out possibilities to start Chinese study centres in Patna University and Hindi study centres in Chinese university.
